

furmummy

Pre-Arrival Checklist

FIRST A QUICK CHECK, IS YOUR FURBABY:

- Microchipped and licensed?
- Friendly with other dogs and human?
- Free from tick and flea, has been on
- parasite control regularly? (e.g. NexGard/Frontline etc)
- Up to date with annual vaccinations?
 - Required:
 - Parvovirus
 - Canine Infectious Hepatitis (Adenovirus)
 - Canine Distemper
 - Parainfluenza
 - Leptospirosis
 - Recommended: Bordetella bronchiseptica (kennel cough)

A daycare is required before an overnight stay booking...

If your furbaby is medium sized and above, or if you have some concerns for your furbaby settling into the new environment, please book a daycare from \$66 to \$78 per session before booking a staycation.
